Date : 04.03.2020

Dear Students and Parents,

The safety, health, hygiene and well being of children/ members of the staff and their family is our top most priority. We understand and appreciate parents/guardians who may have queries about the Corona virus and safety measures. A new type of Corona virus, abbreviated COVID-19, is causing an outbreak of respiratory lung disease. We hereby make an appeal to everybody to take care of self and members of the family. A few tips are given as under to help reduce the spread of germs:-

- Make your child aware about COVID-19 but do not create fear in them.
- Do not panic, remain calm and reassuring.
- Parents are advised to keep the child at home, if they are exhibiting signs of illness, intimate the School Authorities.
- Encourage children to wash their hands often. Wash hands with soap and water or use alcohol based hand rub. Wash hands even if they are visibly clean.
- Avoid touching eyes, nose and mouth unless you have washed your hands.
- Cover your nose and mouth with handkerchief/tissue/ with arm while sneezing and coughing not by your hands.
- Everyone should throw used tissues into closed bins immediately after use.
- Avoid public gathering, visiting people in hospitals and care centres.
- Frequently touched surfaces - door knobs, switches, hand railings, etc. should not be touched.
- Preference to be given to Homemade food.
- Teachers / staff or friends should not commend or criticize students who wear ,masks in school.
- Any child with signs or symptoms, such as fever, cough and difficulty in breathing should be consulted with doctor and kept at home till advised by the treating doctor.
- Donot Spit in public.
- Lf you have travelled to foreign country or affected region, do not send your ward to school until confirmed that he/she is not infected.

Together we can fight Coronavirus, Take care, Best wishes to all.

Yours faithfully,

(RAM KRISHNA MAHTO)
